Dear Carol,
 It has been so
 wonderful knowing
 you, and I really
 mean it. You are cute
 and sweet as can be,
 and I've grown to like
 you a lot. I bet you're
 going to miss Tom a lot
 next year. Well, I'm
 going to miss you too,
 you'll have to take
 care of him. You look
 absolutely beautiful the
 night of the prom and I
 hope I didn't spoil the
 dinner for everybody.
 It has been so much
 fun year and I'm certainly
 going to miss a w. I'd
 loved every moment I've
 spent here. I only wish I
 had next year to go.
 Remain as pleasing,
 cute and wonderful as you
 are and I know you'll be
 a big success.
 Best of luck Always,
 Carol and take care of
 next year. You don't
 have to watch to closely.

Carol

This past year has been a wonderful one for me and one I will never forget. I met a lot of friendly people and did a lot of things. I made new friends and had many wonderful experiences. But the thing I'll remember most about my senior year is that I dated you. I'll always remember the day when a shy little girl approached a big goon in front of locker 192 and asked him to go to the dance. I didn't know it then but it was a real big break for me. From that time on my senior year was complete. I never thought I would go steady with any girl while in high school, but after dating you for a while, I changed my mind very quickly. Even though I wanted to date you, it took me a month to work up nerve enough Carol, to ask you to go steady. In fact it took me 45 minutes to finally get around to ask

You're a real lucky gal to have such good looks and a wonderful personality. Good Luck On Future Years. you the night I did. "Big brave Tommy."

Judy Rasmussen you this old school year seemed to fly by. But I'll always remember every "58" dance, party, and dog fight we ever went to. I wish I had another year so I could date you some more, but that's the breaks of the games. can't

Whether you realize it or not, you've become a very popular girl at A.W. I've had to fight all the guys off who wanted just one date with Carol Kidd. Now you know why my face looks so bad. pg. 89

ANTHONY WAYNE HIGH SCHOOL

WHITEHOUSE, OHIO

ANTHONY WAYNE WE'RE ALL FOR YOU

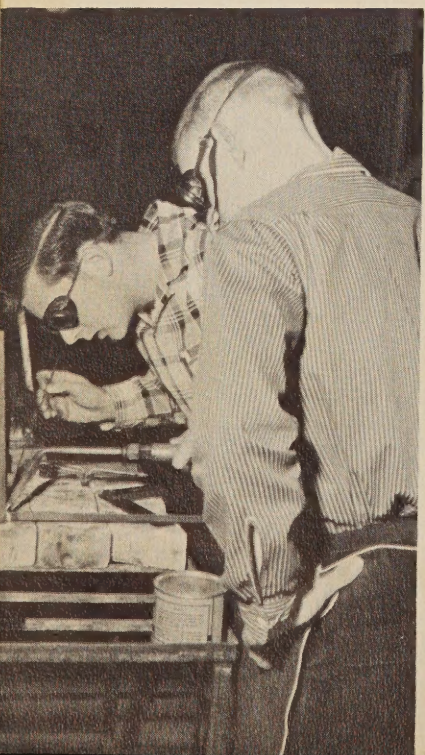

Anthony Wayne High School is made up of hundreds of students, those who have entered and left her doors and those who are yet to come. We enter with an open mind for the knowledge that she has to offer, knowledge that we gain from the textbooks and the teachers; but more important, knowledge that we gain from the friends we meet, the experiences we share and enjoy.

The school year, 1957-'58, has been filled with activities -- some great, some small, but each one important. There were the plays, the concerts, the athletic contests, the committee meetings, the never ending practices, the buzz sessions. We talked, we discussed, we planned. Finally when all the preparation was completed, the event passed and we began planning another.

IN VENTURES GREAT

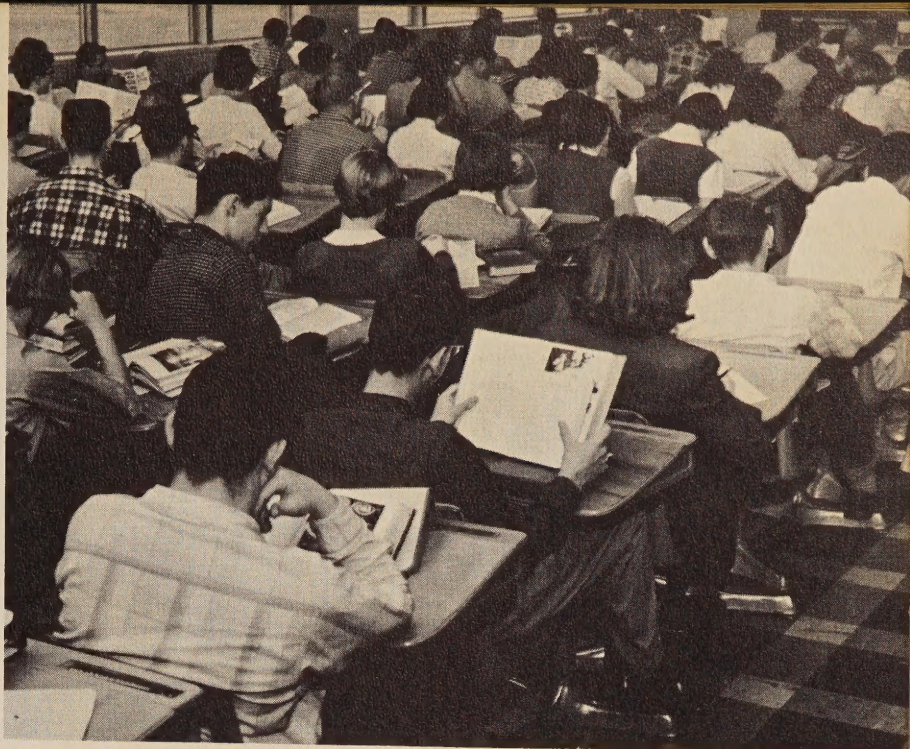

OR SMALL

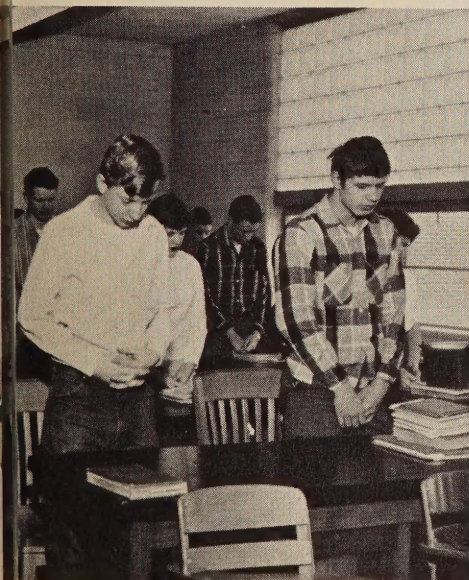

The seasons came and with them their respective sporting events. Fall brought football with the Friday night games in the crisp cold air of the stadium. We'll always remember the cheers for the football squad as they ran onto the field and the marching band in blue and white entertaining at half-time. Then came winter and with it basketball. Tension was the keynote as the spirited Generals battled in the many close games. The Pep Club

and the student body, the parents, all supported our boys with their pep and spirit throughout the season. Spring brought track and baseball. The crack of the bat and the sound of the gun echoed through the fresh spring air. "Runners take your mark!" "Home Run!" "Yea Generals!" Soon it was time to hang up the ball glove and put away the track shoes; the sporting year had ended.

Although there were many extracurricular activities, we did not forget our school-work. We opened our books at the beginning of the year wondering if we would ever complete them and retain a portion of their knowledge. With the help of our ever patient teachers, we did master them -- the math problems, the complex sentences, the chemical formulas. Each six weeks period the grade cards came to remind us of our accomplishments and our failures. We vowed to do better and we did. The honor roll, National Honor Society, Valedictorian and Salutatorian; our excellence in scholarship was rewarded. "We dedicated our all."

TO YOU THE SCHOOL
WE LOVE SO WELL
WE DEDICATE OUR ALL

Each morning we opened the day by offering a prayer. We thanked God for our blessings -- our families, our friends, the opportunity to attend our fine school. We asked Him for guidance throughout our school day and throughout our lives. We prayed together as the generation of tomorrow. "With faith and trust" in Him, tomorrow will be our "future bright and true."

WITH FAITH AND TRUST
WE WILL INSURE
A FUTURE BRIGHT AND TRUE

AND WITH ETERNAL PRIDE WE PLEDGE

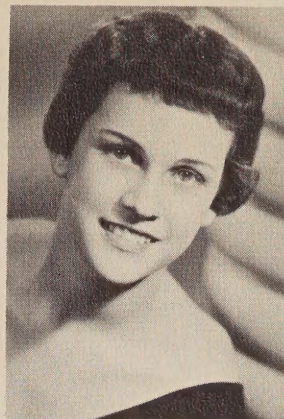

Another year has drawn to a close. For some of us it was our last year at Anthony Wayne, for others it was only the beginning of high school life, yet each one of us worked to make this year a memorable year for all. Some of us have excelled through high scholastic ratings; some of us have put our all into athletics; still others have worked diligently in student government and

on numerous committees. We've worked hard, not only for our own personal gain, but also for the betterment of our school. Anthony Wayne High School is still young but her history is one of dedicated work and commendable accomplishments. As products of this fine high school, we can sincerely say, "With eternal pride we pledge allegiance now to you."

The National Honor Society is composed of students who have a high scholastic rating and are leaders of the school. Any junior or senior having at least a 3-point average is eligible for membership. A list of these scholars is given to every teacher, who rates each student in any activity in which he has worked with him. The basis for the students' final rating is Scholarship, 40%; Service, 20%; Leadership, 20%; and Character 20%.

Each year several members of the Junior Class are inducted into the Society in a beautiful setting of candles and flowers. A reception for the parents, teachers, and members follows the ceremony.

The Anthony Wayne Student Council is made up of representatives from each class with Mr. Campbell as advisor.

Our Student Council has sponsored many fund-raising projects this year. Some of these projects were the annual Christmas dance, "Crystal Ball", the Magazine Drive, which aided in the purchase of choir robes, and a projector for the Visual Aids room.

The officers for the year were president, Barton Furry; vice-president, Benny Heilman; secretary-treasurer, Nancy Carr.

The permanent delegates to the Toledo Area Student Council were Barbara Lewis and John Studer.

Annual Staff

Are the snapshots taken yet? How many more ads do we have to sell? Is the copy typed? These are some of the questions that could be heard echoing through the Annual room every day during the eighth period.

The Annual Staff was composed of inexperienced members this year, but through the co-operation and hard work of everyone, the Trailblazer was completed.

The Annual Staff was under the direction of Mr. Wendt and the co-editors, Betty Springer and Carol Knapp. This was Mr. Wendt's first year as advisor for the Annual Staff, but with the assistance of the co-editors and the other members of the group, the final deadline was met.

"Hurry or we won't get the paper done in time," is what the members of the Generals Dispatch Staff kept repeating.

The Generals Dispatch was under the direction of Mrs. White, advisor, and Tom Sasse, editor-in-chief. The staff was composed of members of the Journalism Class, with each student doing his part to put out the paper. The Dispatch contained news concerning student activities and the school. It was delivered to the student's lockers the eighth period of every other Friday.

John Mayfield and Thad Jones try to break the traditional Christmas Pinata.

Spanish Club

The purpose of the Spanish Club is to enjoy developing interest in the Spanish language and Spanish speaking countries. The club's program, directed by its officers Carole Atkinson, president; John Mayfield, vice president; Marlene Hanely, secretary; Jim Wheeler, treasurer; Janet Hover and David Bradley, freshman representatives; and Miss Kuney, advisor; helped the members to do just that. At Christmas time the club learned more about Spanish customs by having a Spanish Christmas party, included the traditional breaking of the candy-filled pinata. Every year during the second semester the club plans a special activity which can be a fiesta, or a trip, or even a picnic. Whatever the activity, however, it is designed to add to the member's understanding and enjoyment of Spanish.

Latin Club

The Latin Club began its year's activities by having a Christmas party, complete with Latin carols, games, and refreshments. The highlight of the party was the induction of new members into the Junior Classical League, of which the Anthony Wayne Latin Club is a member. This party and the rest of the club's programs were planned by its board of officers: Connie Browne, president; Judy Ehret, vice-president; Nancy Starkweather, secretary; Steve Schwab, treasurer; Bob Smigelski, sergeant-at-arms; Sue Hendee and Gene Holliker, freshman representatives; and Miss Kuney, advisor.

Scientists at work?

Science Club

The Science Club had an active program in its second year of organization. Its members sponsored a dance to make money, and spent it quickly on refreshments for their monthly meetings. The main work done by "Herbie's Little Atoms" was in preparing exhibits for the annual Science Day at Bowling Green University. These activities, and more, were under the guidance of Tom Sasse, president; Dick Strayer, vice president; Judy Koenigseker, secretary; Nancy Hutchinson, treasurer; and Mr. Metzger, advisor.

Once again the Anthony Wayne dramatics society, the Antonians, had a busy year. The club is sponsored by Mr. Williamson and is composed of juniors and seniors interested in the advancement of dramatics in the school and community.

Three dramatic performances were sponsored by the Antonians. In December the society presented "Kip," "Interlude," and "Rachel." In March they sponsored the Thespian production

of "Smilin' Through," and in April they presented "The Man Who Came to Dinner."

Officers for the year were: Nancy Carr, President; Tom Droessler, Vice President; Carol Knapp, Secretary; and Kay Fosnaught, Treasurer.

Last year three new awards were initiated. Two were the Actress and Actor of the Year awards which were won by Fern Borger and Kay Fosnaught, and the third was the Thespian of the Year which was also won by Fern Borger.

The National Thespian Society was organized at Anthony Wayne High School in the year 1956-'57. To attain membership in Thespians a total of ten points must be accumulated. Points may be earned by participating in the many phases of an Antonian production. Each spring those juniors and seniors who qualify are initiated into the Society. Membership entitles the Thespians to attend any Thespian production in any locality free of charge. One of the three productions of each year is given by the Thespian Society. This year they produced "Smilin' Through."

Future Homemakers

Remember the humming of sewing machines and the delectable aromas that filled the halls? These sounds and smells were signs that the Future Homemakers of America were busy working on their many projects.

Some of these projects were the giving of Christmas gifts to the Children's Home in Toledo, cookie sales, and the sale of candied apples at the football games.

In an interesting field trip, the girls learned many safety precautions utilized by the Civil Defense Unit in Whitehouse.

The highlight of the year was the initiation of forty new members into the association. Each girl completed a test covering the history and organization of the F.H.A. The more amusing requirements were carried out in the week preceding the initiation ceremony. Each candidate wore her clothes backwards and carried a bag of fudge to be eaten by the regular members.

This year the Future Homemakers of America held its first banquet at which the presentation of degrees earned during the year were made.

The FHA officers for the year were (seated) vice president, Arlene Limes; president, Linda Rupp; (standing) treasurer, Sharon Chortie; and secretary, Sandy Mazey.

Larry Studer, President; Steve Thomas, Vice President;
Allen Pecsok, Reporter.

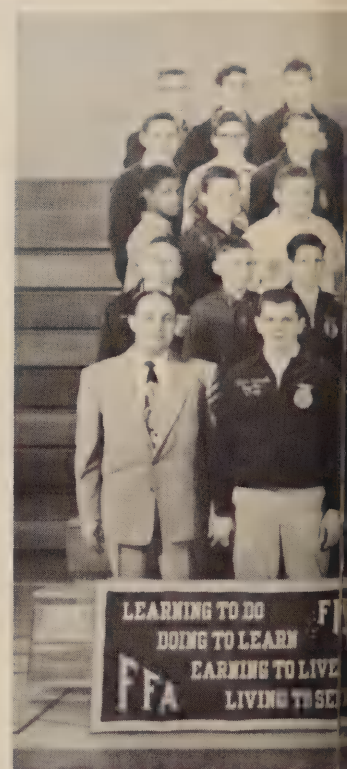

If you have purchased soft drinks at a basketball game or hot coffee and candy at a football game, you have probably bought it from the Anthony Wayne Chapter of the Future Farmers of America. This is just one of the many projects in which the F.F.A. participates.

This fall several of the members attended the International Livestock Exposition in Chicago. While they were there, they attended the horse show, Board of Trade, Arthur Godfrey's Talent Scouts, and the livestock and grain shows at the International Amphitheater.

Larry Studer was elected Vice-President of the North Central Section of the Ohio Association. Both the Chapter and the school are very proud that he is the first state officer to be elected from Anthony Wayne.

The F.F.A. year was ended by the election of officers for 1958 and 1959.

Library Club

The Anthony Wayne library is constantly humming with a great deal of activity. Much of this is caused by the repairing of books and the searching for information by students and faculty.

Mrs. McMillan and her staff are always willing to assist the students in finding information.

The Library Club is a group of students who help in keeping the library in order. This is a necessary part of the work in keeping the library a neat and efficient organization.

Last year the Mixed Choir made history by being the first Anthony Wayne choir to receive an I, or Excellent, rating at the District Music Contest in Napoleon. In April they went on to Columbus where they set another record by receiving an I rating in the State Music Contest.

For the first time the choirs and the band gave separate concerts. In the Christmas

program presented by the vocal department the choir initiated their new royal blue robes, purchased through the efforts of the Mixed Choir members, their parents, and friends.

The choir was host to the choirs from six schools in Lucas County for the annual High School Music Festival.

BAND

The Anthony Wayne High School Band is one of the most active groups in the school. Even during the summer, when the remainder of the organizations were relaxing and recuperating, the Anthony Wayne Band was busy attending the State Fair at Columbus, many area homecoming parades, and, to close the summer marching season, the Labor Day Parade in Toledo.

During the autumn they attended the home and away football games, where they presented pre-game and half time shows.

The band gave an instrumental concert in February, participated in the Band and Chorus Contest in March, and made the annual grade school tour in the spring.

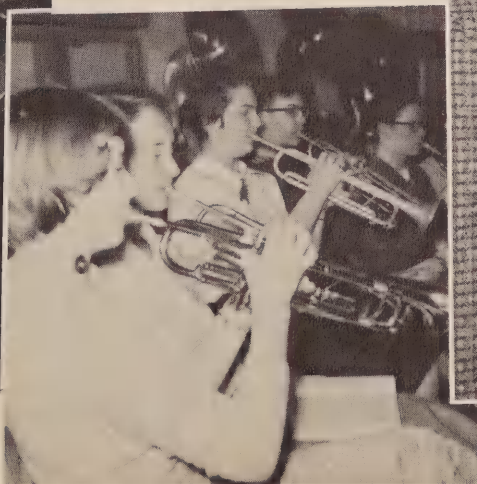

Those band members elected by their associates as officers for the year were: Larry Studer, President; Terry Gottschalk, Vice President; Sally Flynn, Secretary; and Kay Fosnaught, Treasurer.

1957 FOOTBALL FACTS

The 1957 football squad of the Anthony Wayne Generals compiled a rather unimpressive won and lost record of two and seven. Nevertheless, the Generals never lacked the spirit and desire that goes with a winning ball club. It was an unexperienced eleven that started our season, but they steadily improved as the season progressed. The team was further handicapped by injuries to several key players.

In their last four games the upset-minded Generals looked impressive. They toppled Rossford and Holland and lost to highly-favored Maumee and Genoa teams by only one touchdown each. The football future of Anthony Wayne looks promising since many sophomores and juniors gained valuable experience this year.

The Generals of Anthony Wayne concluded their first basketball season in the newly organized Northern Lakes League with a record of four wins and eleven losses.

There were no returning lettermen this season, therefore the team was young and inexperienced. However, as the season progressed the players developed not only the needed experience but also acquired poise and confidence. Anthony Wayne finished in a tie for last place in the League but they gave the league leaders topflight competition throughout the season.

Mere chance made the difference between the Generals' record and a completely successful season. We were defeated on five occasions by three points or less. The members of the team instead of striving for personal glory cooperated in a spirit of unity.

With the nucleus of the squad returning next year, Anthony Wayne's basketball future looks promising.

This year the Reserve squad brought victory to Anthony Wayne when they won the Northern Lakes League championship with a record of nine wins and four losses. Under Coach Mark Knerr, the team, comprised mainly of sophomores, displayed team spirit and showed improvement with every game. What the Reserves lacked in height, they made up for in desire to win and well balanced scoring. A number of the players will be welcomed additions to next year's Varsity.

The Freshmen basketball team, guided by Coach Ray Ritzenthaler, compiled a record of seven wins and seven losses. They were eliminated by Maumee in the first round of the Freshmen tournament at Bowling Green.

The individual honors won during the year were batting champion, Don Koch; most runs batted in, Don Koch; lowest earned run average, Jim Flynn; and honorary captain, Don Koch.

The pitching duties were shared by Fred Hessman and Jim Flynn. In the Rogers game Flynn pitched a no-hitter.

The Generals were led to their successful season by Coach Ray Ritzenthaler. The Coach of the reserve team was Jim Strayer.

The Physical Education Club is for the advancement of better physical training for the boys of Anthony Wayne. It is also to encourage different skills such as rope climbing, wrestling, boxing, and weight lifting for use after graduation.

As special activities, they promoted the sale of school pencils and varsity buttons.

The members are learning and practicing diligently the art of performing on the trampoline. Next year they will be ready to take over the half-time show at the basketball games. The social and business activities were conducted under the supervision of Dick Farnsworth, president; Paul Benson, vice-president; Larry Parks, secretary; Mike Denison, treasurer; and Mr. Albaugh, sponsor.

Another school year has come to an end. Another Senior Class has graduated and left the halls of Anthony Wayne. The pencils have been laid aside. The books have been put away. The events that we eagerly anticipated or dreaded are all past and are now our memories. The first day . . . football season . . . Homecoming . . . basketball . . . the Christmas Dance . . . semester exams . . . the plays . . . "Sweethearts on Parade" . . . tournaments . . . track and baseball . . . the Spring Concert . . . the Junior-Senior Banquet . . . the prom . . . Baccalaureate . . . Commencement . . . grade cards . . . another year has ended. We've worked hard. We've played hard. The year 1957-58 has been ours and now it is complete. We will never forget the friends we have made, the good times we have had, the knowledge we have gained. This is the past and now we look to the future, the years ahead that are full of opportunity for us. Surely if we carry the spirit of General Anthony Wayne and the school named for him, it can only mean in the words of our alma mater "a future bright and true."
